Lee:

As you know, I am leaving for Latin America early in the morning and I will not have time to discuss this with Steve Darrah. Janet has already told Steve I am referring his telex to you and I have asked him to call you tomorrow.

Would you please study the proposal, discuss it with Steve and you might want to have a chat with RWM about it before taking it any further. You might then give me a call in Latin America or wait until I am back Monday September 19.

I am sorry I did not have time to see you, but I do not have anything else of particular importance at the moment. I will see you when I am back but do call me on anything urgent.
